

This summer, reveal your inner

POOL HERO

Hey there Superdads, Supermums and Superteachers!

We might take it for granted but we all have inner superpowers to make our pools safer.

Pool Heroes is a community-based initiative to help educate us about everyday pool safety. On our website you'll find a range of fun activities including games and resources.

There's also a host of prizes up for grabs. So let's put our super capes on and save lives together!

For more information, activities and prizes visit our website www.poolheroes.com.au
